Mr. Franklyn Waltman  
Public Relations Department  
Sun Oil Company  
Philadelphia 3, Penna.

Dear Mr. Waltman:

General Smith has asked that I thank you for your excellent brochure on the Sunoco 3-Star Extra. Not only are we regular listeners of your program, but we value no less the responsibility and integrity of the newsmen who produce it. Those of us who have worked in Washington on the other side of the fence know Ray Henle, Ned Brooks and Al Warner as three of the city's most reputable reporters whose perspective and keen sense of balance contribute enormously to the better information of a better informed public. You are fortunate, indeed, in having all three.

Sincerely,

C. B. Hansen  
Colonel, USAF  
Assistant to the Director
